

IN THE UNITED STATES DISTRICT COURT  
FOR THE DISTRICT OF NEBRASKA

UNITED STATES OF AMERICA,

Plaintiffs,

vs.

SONIA HERNANDEZ and  
FREDDY HERNANDEZ JR.,

Defendants.

**4:14CR3114**

**ORDER**

Defendant Sonia Hernandez has moved to continue the trial currently set for August 17, 2015. (Filing No. 78). As explained in the motion, Defendant's counsel has academic scheduling obligations and has requested that the trial be continued until the fall break in that schedule. The motion to continue is unopposed. Based on the showing set forth in the motion, the court finds the motion should be granted. Accordingly,

**IT IS ORDERED:**

- 1) Defendant Sonia Hernandez' motion to continue, (filing no. 78), is granted.
- 2) **As to both defendants**, the trial of this case is set to commence before the Honorable John M. Gerrard, United States District Judge, in Courtroom 1, United States Courthouse, Lincoln, Nebraska, at 9:00 a.m. on October 19, 2015, or as soon thereafter as the case may be called, for a duration of five (5) trial days. Jury selection will be held at commencement of trial.
- 3) Based upon the showing set forth in the defendant Sonia Hernandez's motion and the representations of counsel, the Court further finds that the ends of justice will be served by continuing the trial; and that the purposes served by continuing the trial date in this case outweigh the interest of the defendant and the public in a speedy trial. Accordingly, **as to both defendants**, the additional time arising as a result of the granting of the motion, the time between today's date and October 19, 2015, shall be deemed excludable time in any computation of time under the requirements of the Speedy Trial Act, because despite counsel's due diligence, additional time is needed to adequately prepare this case for trial and failing to grant additional time might result in a miscarriage of justice. 18 U.S.C. § 3161(h)(1), (h)(6) & (h)(7).
